

Revised: 9/30/2009

**TC1**      Cover coat Thinner**1. General Information**

TC1 is a thinner for cover coat.

**2. Technical and Application Data**

<b>Composition</b>	Aromatic naphtha
<b>Appearance</b>	Transparent liquid
<b>Gravity</b>	0.88
<b>Flash point</b>	47°C
<b>Hazard classification</b>	Flammable, non dangerous goods

**Use**

We recommend adding less than 10% of TC1 when diluting cover coat.

**Attention on handling**

Wear mask and gloves to avoid any effects of the solution or the residue.

Wash thoroughly with water and soap, when the solution or residues comes in contact with the skin, etc.

Get medical examination by doctor, if the solution or residue comes in contact with the eye, but first wash the eye thoroughly with water.

**Storage**

Store in a dry place and away from excessive heat and sources of ignition.

Avoid direct sunlight. Keep material away from electrostatic charge.

**3. Material Safety Data Sheet (MSDS)**

Material safety data sheet (MSDS) of TC1 is available on request.
